Powering **Progress.**

ABOUT US

Balista Lifters Handling Equipment is a leading manufacturer of **Material Handling Solutions** in India. With a strong focus on innovation, quality, and performance, we design and manufacture a wide range of equipment built to handle every industrial need efficiently and safely. We put in our best efforts to deliver products that combine **strength, precision, and reliability**, ensuring complete satisfaction for our valued customers.

OUR COMPANY

We are **Balista Lifters** and we love what we do.

Based in **Ahmedabad, Gujarat**, we have been delivering excellence in **material handling solutions**.

Established as a **Sole Proprietorship**, **Balista Lifters** has earned a reputation as a **trusted manufacturer** of a premium range of products including **Hydraulic Hand Pallet Trucks, Stackers, EOT Cranes, Scissor Lifts** and more.

Every product we create reflects our commitment to **quality, performance & customer satisfaction**. We offer reliable equipment at **competitive prices**, ensuring timely delivery and consistent service across India.

OUR COMPANY

To deliver **innovative, durable and affordable** material handling solutions ensuring every lift reflects our commitment to **excellence and reliability**.

WHY US ?

With rich industry experience and a deep understanding of our customers needs, **Balista Lifters** consistently delivers superior-quality products and reliable service.

Our focus on **innovation, quality and trust** sets us apart and keeps us ahead of the competition.
